GGSIU signs MoU with Russian Technical University

New Delhi, April 13.

GGSIU signed a MoU with Federal State Budgetary Educational Institution of Higher Education "Yuri Gagarin State Technical university of Saratov".

The MoU was signed by GGSIPU Registrar Dr Kamal Pathak and YGSTUS Vice-Rector Ms Tatiana Kasaeva from Russia in the presence of Prof. Vijita Singh Aggarwal and other Russian delegates.

Both the institutions agreed to engage in cooperative programs of education and research and to promote exchange among their faculty and students. This will help to enhance the learning experience, and international understanding, on the basis of equality, mutual benefit and reciprocity.

The aim is to foster academic cooperation, create avenues for international engagement, and support the progression of knowledge through principles of mutual exchange, shared advantages, and regular communication.

Welcoming the Russian delegation at GGSIPU campus, Dr Pathak said that over 18 such MoUs have been signed in the recent past. To start with, several courses/topics can be covered online in the interest of each other's students and faculty, he added.

Professor Gagandeep Sharma showcased GGSIPU to a delegation from Russia during their visit to the university campus. As part of the itinerary, the delegation explored the innovative spaces of the Atal Incubation Centre & Idea Lab, where they had the chance to engage directly with the incubatees and gain insights into ongoing projects. This exchange not only fostered cross-cultural dialogue but also provided a platform for sharing ideas and experiences, enhancing collaboration between the two institutions.
